

Croatia - Balkans Tour (9 nights)

📌 Package Description:

Balkans to the Aegean: A Journey Through Europe's Living History

Step into a journey where cultures blend, histories intertwine, and landscapes shift from medieval capitals to sun-soaked coastlines.

Beginning in the elegant streets of Zagreb, this unforgettable route winds through the heart of the Balkans — crossing borders, eras, and traditions — before culminating in the timeless grandeur of Athens.

Discover Sarajevo, a city where East meets West, echoing with stories of Ottoman bazaars, Austro-Hungarian architecture, and resilient spirit.

Continue to the Adriatic jewel of Dubrovnik, where ancient stone walls rise above shimmering blue seas, offering one of Europe's most iconic coastal experiences.

From the Croatian coast, travel south to vibrant Tirana, a city reinventing itself with colour, energy, and modern charm.

Journey onward to the tranquil shores of Lake Ohrid, a UNESCO-listed treasure known for its crystal-clear waters, ancient churches, and breathtaking scenery.

Cross into Greece to reach mystical Kalambaka, home to the awe-inspiring monasteries of Meteora, dramatically perched atop towering rock pillars.

Finally, arrive in legendary Athens, where classical ruins, lively neighbourhoods, and Mediterranean flavours bring your journey to a spectacular close.

This itinerary is more than a tour — it's a passage through civilizations, coastlines, and cultures that have shaped Europe for centuries.
